

UNIVERSITY OF BOTSWANA

LECTURE TIMETABLE 2008/9 SEMESTER 2
(MAIN CAMPUS) INSTRUCTIONSDAYS AND TIMES:

The following abbreviations are used for the days of the week:

M: Monday, T: Tuesday; W: Wednesday; R: *Thursday*; F: Friday

- Where only one time is given, it indicates the time of the start of the class. Thus MWF 1000 means that the class will be on Monday, Wednesday and Friday and shall begin at 10:00, and end at 10:50 am.
- For labs and some classes longer than the normal periods, beginning and ending times are indicated. Please note that the class will end at 10 minutes before the hour. Thus M 0800-1000 indicates that the class will end at 9:50.

OTHER ABBREVIATIONS

- A letter or a number after a course code shows the section.
- B, E, H, S and SS after a GEC course code indicate the faculties (Business, Education and so on).
- L after a course number indicates the Lab component of the course.
- T after a course code indicates a tutorial
- TBA: To Be Arranged.

NOTE: If a class meets in different rooms on different days, the times are separated by "&" sign. The room numbers too are separated by "&" and appear in the same order as the time. Thus

ESM213	M 1400 & W 1400-1600	214-1 & 204-1
--------	----------------------	---------------

means that rooms 214-1 will be used on M 1400 and 204-1 will be used on W 1400 - 1600. Zeros before the room numbers are not shown, so 214-001 is printed as 214-1.

FINAL EXAM TIMETABLE

Final examination dates, wherever relevant, are indicated by a combination of Arabic and Roman numerals, such as 2iii or 9iv. The first numeral indicates the day of the exam and the second one the session during that day. The examples below illustrate this.

- 1i: First day of the exam period; first session (27th April 2009 at 8 am)
 5ii: Fifth day; second session (1 May; 11 am)
 6 iv: Sixth day; fourth session (4 May; 5 pm)
 10 iii: Tenth day; third session (8 May; 2 pm)

The correspondence between the day of the exam and the calendar date is shown below:

DAY	1	2	3	4	5	6	7	8	9	10
DATE	27 April	28 Apr	29 Apr	30 Apr	1 May	4 May	5 May	6 May	7 May	8 May
