

38th GRADUATION Ceremony

2020
PROGRAMME

26th November 2020

Creating a Future for the Knowledge Economy

www.ub.bw

VISION

By 2029 the University will be a distinctive centre of academic excellence in Botswana, Africa and globally.

MISSION

The University provides quality education, research, innovation and engagement for sustainable national development and global impact.

The audience is informed that a designated team has been authorized to make a video recording of the Graduation Ceremony.

**MESSAGE FROM: HIS EXCELLENCY THE
PRESIDENT OF THE REPUBLIC OF BOTSWANA
DR MOKGWEETSI ERIC KEABETSWE MASISI**

Congratulations! to the University of Botswana Class of 2020 on your well-deserved academic success. Indeed, your hard work and commitment to your studies have paid off and you have now joined the world of professionals in various fields. Your achievement will surely contribute to the implementation of our national transformational agenda as espoused in Vision 2036, as well as help chart our country's transition from a resource-based to a knowledge-based economy.

As you enter a new phase of life, I want to remind you that our country is faced with a myriad of challenges such as youth unemployment and HIV/AIDS. The advent of COVID – 19 has further compounded our situation as it has negatively affected the performance of our economy. However, as a resilient nation and with your newly acquired skills, I am confident that we will overcome these challenges and achieve our dreams and aspirations.

I therefore wish to reiterate my Government's commitment to create an enabling environment for the private sector to thrive and in the process create jobs, particularly for the youth.

In conclusion, I once again congratulate you on your achievement and wish you success in your future endeavors.

Please continue adhering to the COVID-19 health protocols of social distancing, washing your hands with soap and sanitizing, as well as wearing your masks appropriately in public.

**MESSAGE FROM: THE CHANCELLOR
OF THE UNIVERSITY OF BOTSWANA
MS LINAH KELEBOGILE MOHOHLO**

This is to congratulate you, the Class of 2020, for your having attained your educational credentials.

You demonstrated resilience and maturity of character in the midst of the Covid-19 pandemic, and for that you deserve a pat on the back. The road you traversed could not have been easy, but you lived up to expectations and accomplished your dreams.

Needless to say, today you are not only celebrating your well-deserved achievements, you are also beginning a new phase in your lives, where you will invariably embark on a variety of careers. I trust that having been a part of the University of Botswana for respective periods will have instilled in you maturity, resilience, humility, patience and a sense of responsibility, which will help in dealing with the challenges that

will come your way. No doubt these good attributes will stand you in good stead as your lives evolve.

The skills and knowledge imparted to you are expected to come in handy as the Country embarks on advancing its citizenry's new ways of doing business using, among others, the tools of the digital economy. The country looks up to you and has trust in your ability to foster change. Go out there and make a difference and be the catalyst for positive change. Above all, be ambassadors for the University of Botswana by doing good at all times.

Hearty Congratulations once more!

**MESSAGE FROM: CHAIRPERSON OF
UNIVERSITY OF BOTSWANA COUNCIL
DR MOEKETSI JOSEPH MAKHEMA**

Congratulations Class of 2020! You shall be immortalized for prevailing and graduating despite and amidst the storm and uncertainties of the SARS-COV-2/COVID-19 pandemic.

That accomplishment is testimony to your discipline, resilience, determination and commitment to fulfilment of your ambitions. No one deserves this better than yourself!

Graduation marks the first step of yet another phase in your life and the hope to triumph over new challenges as you strive to broaden your horizon beyond campus life. I trust your stay at Mmadikolo was an enriching and inspiring experience that has equipped you with the tools, skills and competencies to bridge you to new frontiers. I charge you

to leverage every opportunity coming your way to inspire change for human good. The knowledge society beckons, and you should NOT and cannot afford to be left behind. Scale the heights, walk tall as the University of Botswana's Ambassadors.

Your accomplishments fill me with joy and pride especially so during this COVID-19 era. Congratulations once more and best wishes for the future.

**MESSAGE FROM: THE VICE CHANCELLOR
OF THE UNIVERSITY OF BOTSWANA
PROFESSOR DAVID NORRIS**

Today is indeed a great day. Great for you as you graduate and great for the University of Botswana to have contributed to what you are today. Your success is our success. You were not alone on this journey.

Your parents and relatives, friends and the University staff were no doubt some of the most valuable companions and resources that you always tapped on. Thank you for being part of the team. Your enthusiasm, determination and hunger for success delivered what we all looked forward to, a well-rounded graduate.

The world awaits you. Embrace the global citizen you have become and above all, prove to the world that your choice of the University of Botswana was not a mistake. Make the most of the knowledge and skills

you gathered and cherished at Mmadikolo to transform the lives of Batswana.

I trust that the education you acquired and the experience from interacting with your lecturers and classmates have contributed to your intellectual, spiritual and personal development. Thank you for making the University of Botswana a force to reckon with. Take your Mmadikolo experience with you so that you remember your Alma Mater all time.

Congratulations to the Class of 2020.

GUEST SPEAKER:
**AMBASSADOR DAVID
JOHN NEWMAN**

In early June, 2020, David Newman returned to Botswana after having completed a 5-year tour of duty as Ambassador of Botswana to the United States of America, based in Washington D.C. During that time, he also served as non-resident High Commissioner of Botswana to Canada and the Caribbean Islands, and as non-resident Ambassador of Botswana to Mexico.

For ten years prior to his appointment as Ambassador-Designate, Ambassador Newman served as Judge of the High Court of Botswana, and sat from time to time as Judge of the Botswana Court of Appeal. From 2009 to 2012, he also represented the Administration of Justice in the Design and Build of the High Court and Court of Appeal Headquarters, and chaired the committee charged with the relocation of both Courts to Gaborone. Between 2006 and 2014, Ambassador Newman also conducted an internship program for law students from the Universities of Cincinnati and Pennsylvania.

Prior to devoting himself to public service in 2004, Ambassador Newman worked for twenty years in Botswana as an attorney, conveyancer and notary public, and for fourteen of those years was managing partner in the legal firm of Collins Newman

& Co. specializing in corporate, commercial, property and mining transactions, civil litigation and conveyancing. During that time, he also had personal business interests, primarily in the fields of energy and property development.

Ambassador Newman's first appointment in Botswana was in 1982, as senior lecturer in the law department at the University of Botswana. Previously, he had lectured in law at the University of Malawi, after obtaining a law degree and qualifying as a Barrister (Middle Temple) in the United Kingdom. Whilst in Malawi, he published a textbook on Criminal Procedure & Evidence.

Ambassador Newman has seven children, four of whom joined him and his wife, Changu, in Washington D.C.
