## Faculty of Engineering & Technology

### First Year Registration Guide

The Faculty of Engineering and Technology (FET) is dedicated to the following:

- To produce high quality Engineering graduates who will be able to adapt to the working environment and to discharge their duties to the satisfaction of their employers.
- To be responsive to the needs of the industry in all sectors of the Botswana economy. This will be accomplished by mainly providing study programmes designed to meet the needs for highly trained manpower in required areas of technology and the environment.
- To respond to the needs of Industry through research, consultancy, advisory and other relevant services.
- To be continually in dialogue with industry and other relevant bodies to determine and fulfill any such needs which may be raised by Industry from time to time.
- To provide access with proper theoretical and practical backing to the most recent developments in the relevant technologies and to prepare graduates for professional responsibilities.
- To prepare FET graduates to pursue further studies in their relevant Engineering and Technology disciplines.

**REGISTRATION PROCEDURES**

**PLEASE FOLLOW THE REGISTRATION PROCEDURES IN THE UB WEBSITE**

FET PROCEDURES FOR REGISTRATION ENQUIRIES

- Please visit your Departmental contact person if you have any queries. Students are also advised to send their enquiries to: [fetenquiries@ub.ac.bw](mailto:fetenquiries@ub.ac.bw)
- The subject should be your student number.
- State the nature of the problem or the kind of assistance you require as briefly as possible.
- For Password Resetting, general IT, and system navigation: [fetit@ub.ac.bw](mailto:fetit@ub.ac.bw) or call 3554457

**After obtaining your registration printout please study it carefully to ascertain that you have registered for the correct courses. In particular, students must check their individual record thoroughly for any mistakes in courses as the record is the authorization to attend the listed courses. In other words, students should cross-check the registration record (i.e. the print-out) against the list of courses they have chosen.**

**If in doubt, always ask for assistance.**

A copy of the University Calendar will be made available during the semester. If an announcement is made that it is available on the website, study it carefully and pay particular attention to regulations on registration, withdrawal, progression from semester to semester.

Please download a copy of the timetable to note the times and venues of the courses listed in your registration printout.
