

# World University Rankings 2024

## 2024 UB's PROGRESS IN AFRICA AND THE WORLD

The University of Botswana (UB) has made notable progress towards its vision of **transforming into a distinctive centre of excellence in Botswana**, Africa and globally.

This is testified by the results of the **Times Higher Education** 

**Times Higher Education** ranking is based on 18 calibrated performance measures that measure an institution's performance across **five (5)** areas:

**UB has maintained its position as the top ranked university in Botswana**, with the majority of Africa's ranked Universities coming from three (3) populous countries being; **Egypt**  **Nigeria**  and **South Africa** . This places the University of Botswana in the league of globally recognised universities and amongst the top-tier African universities in the global rankings.

**UB's ranking is a significant accomplishment**

University of Botswana significantly improved research quality from the baseline of **13.7%** in 2020/21 to **63.9%** in 2023/24 rankings.

The Times Higher Education Global Ranking has ranked three (3) subject fields.

- **Clinical and Health ranked #13 in Africa and #513 globally.**
- **Social Sciences ranked #31 in Africa and #823 globally.**
- **Physical Sciences ranked #62 in Africa and #1047 globally.**

*UB's ranking is the result of its quality research and its role in generating new knowledge and ideas as well as societal impact.*
