POSTGRADUATE PROGRAMMES

GENERAL ENTRY REQUIREMENTS:

Master's degree programme

The normal minimum entrance requirement shall be a Bachelor's degree of this or any other recognized University or equivalent institution with at least a second class, second division or equivalent (3.0 GPA, on a 5-point scale) in the relevant field. Candidates with a Pass degree or equivalent, and who have at least two years of relevant work experience, may be considered for provisional admission. After successful completion of 2 semesters of full-time academic work or 24 credits of part-time work, the student will be considered to be in good academic standing. Applicants who have completed a post-graduate diploma are eligible for admission into a Master's programme. The number of credits to be allowed towards the Master's will be assessed on admission.

Master of Philosophy Degree Programme

Normally applicants must have obtained an appropriate single major or Honours degree with a First or Upper Second Class (overall A or B Average; GPA of 3.5 on a 5 point scale) from a recognized University or equivalent Institution of Higher Education or a Master's degree. Applicants who have obtained an appropriate combined major degree with a First or Second Class (overall A or B average) may be considered provided that, at least, an Upper Second Class performance (B average) is achieved in the intended field of study.

Doctor of Philosophy Degree Programme

Applicants who have obtained an appropriate Master's Degree (MSc, MA, MEd, MPhil or equivalent) with course work and research are eligible to apply.
