

APPLICATION FOR GRADUATE ADMISSION IN AUGUST 2026

All prospective applicants are informed that the third cycle for applications for admission into the University Graduate study programmes for the August 2026 intake is open until 16th August 2026.

All the University of Botswana graduate study programmes are accredited and/or registered by the Botswana Qualifications Authority (BQA) on the National Credit and Qualifications Framework (NCQF).

On-line Application

Prospective applicants should apply online through the “**STUDY**” link on the University of Botswana website: www.ub.bw. Applicants are to use any Internet facility available to them to apply. A booklet entitled “**ONLINE APPLICATION: A STEP-BY-STEP GUIDE**” guides how to complete an application online is provided through the “**STUDY**” link on the University website.

Application Materials

The application materials are available as an **Application Package on the University website**, accessed through the “**STUDY**” link at www.ub.bw.

Applicants with Disability

University of Botswana welcomes applicants with disability and considers their applications on academic merit like all other applicants. Applicants are expected to state whether they have any disability when they apply. Those with disability should contact the University’s **Disability Support Services Unit** at the following telephone numbers: **(+267)-355-2768/4183/4490/4991** to explain the nature of their disability. The declaration of such information helps the University assess applicants' learning needs. University of Botswana will always preserve the confidentiality of information about every prospect or student.

Application Fee

Prospective applicants can pay their Application Fee online at <https://www.ub.bw/ubpayments> or at the Banks. On the Bank’s deposit slip, they should write their full names and Omang/Passport number as a reference.

Changes

Applicants may make changes to their study choices by emailing to admissions@ub.ac.bw

Admission Processing

Applicants who meet the set programme entry requirements will be admitted based on academic merit, depending on the space availability. Meeting the minimum entry requirements does not, therefore, **guarantee admission**.

Closing date

Applications for **August 2026** entry for local and international prospects will close on **16th August 2026**.
