MESSAGES OF GOODWILL

**THE PRESIDENT OF THE REPUBLIC OF BOTSWANA
ADVOCATE DUMA GIDEON BOKO**

I am pleased to congratulate the University of Botswana's Graduating Class of 2026 as you join the ranks of the University's alumni. Your graduation coincides with Botswana's celebration of the 60th anniversary of independence. Botswana have continued to rise, adapt and move forward through resilience, determination and unity.

As you graduate during the University's 44th Graduation Ceremony under the theme, "Building High-Performance Economies: From Excellence to Global Impact", you are called upon to carry this same spirit into a rapidly changing world.

Botswana of the future will require and demand of you to be innovative and disciplined in order to transform challenges into opportunities. In a world shaped by technology, knowledge and competition, we must build an economy that is productive and globally competitive. The Graduating Class of 2026 is central to that endeavour. Let your knowledge and skills find expression in the solutions you create, the enterprises you build and the communities you uplift. Be bold enough to imagine a prosperous future, and resilient enough to withstand setbacks. The future will not always present easy paths. There will be obstacles and moments of uncertainty, but you must have the courage to rise and continue the Journey.

As you leave the University of Botswana, remember that excellence is a commitment. Let your achievements contribute to building a high-performance Botswana with meaningful global impact.

On behalf of the Government and people of the Republic of Botswana, I commend you on this milestone and wish you every success.

Congratulations, Class of 2026! *The future is in your hands.*

**THE MINISTER OF HIGHER EDUCATION
HONOURABLE PRINCE MAELE**

It gives me immense pleasure to congratulate the University of Botswana and, most importantly, the **Class of 2026** on this important achievement.

This graduation takes place in a special year as Botswana celebrates 60 years of independence. It is therefore an appropriate moment to reflect on the significant role that education, knowledge and human capital have played in our nation's development, and the role they must continue to play in shaping our future.

The theme, **"Building High-Performance Economies: From Local Excellence to Global Impact,"** captures the important responsibility of our universities to produce graduates with the knowledge, skills, creativity, and innovative capacity required to drive economic transformation.

As Botswana works towards a more diversified and knowledge-based economy, I encourage our graduates not only to seek opportunities, but also to create opportunities, solve problems and contribute to sustainable national development.

To the Class of 2026, your qualification is both an achievement and a responsibility. Pursue excellence, embrace lifelong learning, uphold integrity, and use your knowledge and talents to make a meaningful difference wherever your journey takes you.

I commend the University leadership and staff, as well as parents and guardians, for their contribution to this achievement.

Congratulations, Class of 2026. May you go forth with confidence, purpose, and a commitment to making a lasting impact on Botswana and the world.

Pula!

**ACTING CHANCELLOR AND CHAIRPERSON OF THE UNIVERSITY
OF BOTSWANA COUNCIL – DR. DANIEL TAU**

On behalf of the University Council, I wish to extend my hearty congratulations to the graduating Class of 2026. Today's ceremony represents a moment of both the celebration of achievement and reflection on the responsibility that comes with the education you have received.

You graduate at a time of profound change and deleterious socio-economic challenges. Botswana, like many parts of the global world, faces economic uncertainty, youth unemployment, technological disruptions, climate pressures and growing inequality. These emerging challenges call for unconventional solutions. Needless to mention, but rightly so, society's expectation is that higher education graduates will turn up with the required ameliorative solutions to mitigate the negative impact of the referred challenges. The University of Botswana itself is confident that you have over the years of your studies and training, gained the knowledge and competencies that will enable you to enter the labour-market with high levels of courage, imagination, innovative capability and willingness to make a difference as well as to inspire the change commensurate with the transformation ideals of Botswana and the global community. The future of Botswana in particular, will be shaped by what you do with what you have learned. We urge you to go out there and demonstrate that with you, society's return on investment from higher education is huge.

Congratulations and Goodluck!!

**THE VICE CHANCELLOR OF THE UNIVERSITY OF BOTSWANA
PROFESSOR DAVID NORRIS**

Today, as you graduate from the University of Botswana (UB), you do so at a defining moment in the history of our University and our country. As Botswana celebrates 60 years of independence, UB is transforming into a High-Performance Organisation (HPO), committed to excellence, innovation, agility, accountability, impact and a culture that continually challenges itself to do better.

You are, therefore, graduating into more than a changing world. You are graduating from a university that is changing with it. However, transformation is not only about what we transform. It is also about transforming the mindset of the person who executes that transformation.

We expect you to be the living expression of what a high-performance Botswana can become. Do not be spectators to change. Believe in yourselves, challenge assumptions, create opportunities and have the courage to shape the world around you.

Transformation should not be something designed somewhere else for you to implement. It must also be imagined, shaped and driven by you. The world needs graduates who can advance knowledge, build enterprises, strengthen institutions and develop solutions to challenges that transcend borders.

As you join the global village, carry the UB spirit with you. Let your work, character and impact demonstrate that transformation is not simply something we speak about but something we embody.

Go forth with purpose. Raise the standard. Create impact. Be the architects of the future and be the Botswana that the future demands.

Congratulations Class of 2026

HONORARY GRADUAND

HON. JUSTICE PROFESSOR OAGILE BETHUEL KEY DINGAKE

Hon. Justice Professor Oagile Bethuel Key Dingake is an internationally recognised jurist, legal scholar and former University of Botswana (UB) law lecturer. He has served as a judge of the High Court and Industrial Court of Botswana, Court of Appeal of Seychelles, Residual Special Court of Sierra Leone and Supreme and National Courts of Papua New Guinea, becoming the first African appointed to the latter courts.

He holds a PhD in Law from the University of Cape Town (UCT), an LLM from the University of London and an LLB from the University of Botswana. His academic appointments include Honorary Professor of Public Law at the University of Cape Town and professorships at universities in Australia, Rwanda and the Philippines. He is also a lead facilitator at the Judicial Institute for Africa at UCT.

Hon. Justice Dingake has authored more than seven (7) legal books and published extensively on constitutional law, human rights, gender justice, HIV and the law.

He chairs the Africa Judges and Jurists Forum and co-chairs regional initiatives addressing HIV, tuberculosis, human rights and social justice. In 2013, he received the Bronze Gavel Award from Women's Link Worldwide for his contribution to gender justice.

He serves as Chancellor of ABM University College in Botswana and is Botswana's nominee for election to the International Court of Justice for the 2027–2036 term.

The background image is a photograph of a person in a dark graduation gown with a gold stole, holding a large, ornate silver trophy. In the background, a diploma is visible with the text "Diploma of Honour" and a circular seal. The entire image is overlaid with a semi-transparent red filter. A white shield-shaped graphic is centered over the image, containing the text "GUEST SPEAKER".

GUEST SPEAKER

**MASCOM CHIEF EXECUTIVE OFFICER (CEO)
MS. DZENE MAKHWADE-SEBONI**

Dzene Makhwade-Seboni is the Chief Executive Officer (CEO) of Mascom Wireless Botswana, a position she has held since 2019. She joined the company as Chief Marketing Officer before progressing to the role of Chief Operations Officer and subsequently being appointed CEO. Her appointment marked a significant milestone as the first Motswana woman to lead a telecommunications company in Botswana.

Ms. Makhwade-Seboni holds a BA in Economics, graduating cum laude in General Studies from Harvard University, a Graduate Diploma in Marketing from the Institute of Marketing Management (IMM), and a Master of Business Administration (MBA) from the University of Cape Town Graduate School of Business.

Drawing on extensive experience gained prior to joining Mascom, Ms. Makhwade-Seboni brings strong executive leadership, industry knowledge, and stakeholder management expertise to her role. These capabilities have enabled her to guide Mascom through its continued transformation while strengthening its standing as a proudly Botswana brand. Under her leadership, Mascom has undertaken numerous Corporate Social Investment (CSI) initiatives spanning education and community upliftment, sports development, ICT development, arts and culture, and environmental sustainability.

Beyond her corporate responsibilities, Ms. Makhwade-Seboni is a wife and mother of three and a passionate advocate for equality and the empowerment of girls, women, and children. She serves as Chairperson of the UNICEF CEO Council for Children's Rights and has led numerous community-based initiatives aimed at empowering women and children.

The background image shows a person in a dark graduation gown with a light-colored collar, holding a large, ornate silver trophy with both hands. The trophy has a wide, flared top and a long, slender stem. In the background, a diploma is visible, partially obscured by the trophy. The entire image is overlaid with a semi-transparent red filter. A white shield-shaped graphic is positioned in the center, containing the text.

CYBERSECURITY STARTS WITH YOU

Stay Smart. Stay Safe. Stay Secure.

In today's digitally connected world, every tap, click, and swipe matters. As digital threats become more sophisticated, staying cyber aware is not just a tech issue but a life skill. Whether you are browsing, shopping, banking, or chatting online, your personal safety starts with simple, everyday habits.

BOCRA encourages all stakeholders to take charge of their digital lives. These practical tips can help protect your information, your money, and your peace of mind. Let's build a safer cyberspace together.

USE STRONG, UNIQUE PASSWORDS, AND NEVER SHARE THEM

Avoid using your name, "123456", or "password". Use a mix of letters, numbers, and symbols. For example, instead of "Thabo2024", try "T#b0!2024".

VERIFY BEFORE YOU PAY OR DONATE

Whether it's buying on Facebook Marketplace or donating to a cause, double-check phone numbers, business names, and account details.

ENABLE TWO-FACTOR AUTHENTICATION (2FA)

Enable 2FA on all your digital accounts to add an extra layer of protection.

DON'T OVERSHARE PERSONAL INFO ON SOCIAL MEDIA

Limit what you post about your location, school, bank, or ID number. Hackers use this to impersonate or target you.

WATCH OUT FOR PYRAMID SCHEME SCAMS

Avoid clicking suspicious forwarded messages, giveaway links, or messages asking for emergency money transfers.

REPORT SUSPICIOUS ACTIVITY

If you suspect a scam or cybercrime, report it to the Botswana Police Service Cybercrime Unit or contact BOCRA via email to info@cirt.org.bw.

USE SECURE WI-FI CONNECTIONS

Avoid accessing sensitive information like mobile banking while connected to public or unsecured Wi-Fi (e.g., malls, taxis, or open hotspots).

KEEP YOUR PHONE AND APPS UPDATED

Always update your phone's software and apps to patch security holes. This protects you from known cyber threats.

Republic of Botswana

Congratulations!

YOU EARNED IT, WE GOT YOU COVERED!

ABOUT THE LMIS

THE NATIONAL LABOUR MARKET INFORMATION SYSTEM (LMIS) IS BOTSWANA'S PREMIER DIGITAL ECOSYSTEM, DESIGNED TO BRIDGE THE GAP BETWEEN EDUCATION, EMPLOYMENT, AND ECONOMIC GROWTH. POWERED BY THE HUMAN RESOURCE DEVELOPMENT COUNCIL (HRDC), IT IS A RESOURCE FOR LABOUR MARKET INTELLIGENCE, CAREER GUIDANCE, AND TALENT MATCHING. IT IS A SERVICE PROVIDED BY THE BOTSWANA GOVERNMENT FOR JOB SEEKERS, EMPLOYERS AND OTHER USERS TO INTERACT AND TO ACCESS REAL TIME DATA AND OPPORTUNITIES.

Graduates and Jobseekers

Employers

Researchers and Policy Makers

LMIS OBJECTIVES

Driving National Human Capital Development

- **Bridge the Skills Gap:** Aligning tertiary education outputs with the actual demands of the labour market.
- **Accelerate Employment:** Seamlessly matching verified jobseekers with employers.
- **Inform National Policy:** Providing real-time, data-driven insights to guide national planning and workforce development.

VALUE AND EXPECTED RETURNS

Empowering Every Stakeholder in the Ecosystem

For Graduates and Jobseekers:

- **The Value:** Personalised career advice, real-time job alerts, and skills-gap analysis.
- **The Return:** An accelerated, informed transition from campus to career, maximizing your employability in a competitive market.

FOR EMPLOYERS AND INDUSTRY LEADERS:

- **The Value:** Direct access to a dynamic, verified database of Botswana's brightest emerging talent and sector-specific labour analytics.
- **The Return:** Streamlined recruitment, reduced hiring costs, and a strategic edge in securing top-tier human capital.

FOR RESEARCHERS AND POLICY MAKERS:

- **The Value:** Comprehensive, harmonised data on employment trends, wage parity, and sector growth.
- **The Return:** Evidence-based policies and strategies that drive national productivity and align with Vision 2036.

A MESSAGE FROM THE HUMAN RESOURCE DEVELOPMENT COUNCIL

At HRDC, we believe that human capital is Botswana's greatest asset. Today, as you celebrate your academic milestones, we are proud to present the LMIS as your next great tool for success. Whether you are stepping into the workforce, seeking top talent, or shaping national policy, the LMIS is built to empower your journey. Together, let us build a resilient, skilled, and future-ready Botswana.

To register, please visit the LMIS website: lmis.botswanalmo.org.bw

The background image is a photograph of a graduation ceremony, overlaid with a semi-transparent orange filter. It shows a man in academic regalia, including a blue and white gown and a black mortarboard cap, looking down. A woman, also in regalia, is placing the cap on his head. The scene is set in a large hall with other graduates visible in the background.

Public Procurement Regulatory Authority

OUR JOURNEY OF TRANSFORMATION

From the Central Tender Board to PPADB, and now PPRA

Different Names. Different Eras. A Lasting Commitment to Advancing Public Procurement.

WHERE IT ALL BEGAN

Central Tender Board (CTB) (1998 - 2002)

The Central Tender Board (CTB) was established as part of Government's efforts to centralise and manage public procurement. It provided a structured system for the consideration and award of government tenders, helping to promote fairness, accountability and value in the use of public resources.

THE NEXT CHAPTER

Public Procurement and Asset Disposal Board (PPADB) (2002 - 2022)

PPADB was established through the Public Procurement and Asset Disposal Act (No. 27 of 1998) to build on the work of the CTB. It expanded the scope to cover both procurement and asset disposal, promoting efficiency, accountability and best practice in the management of public resources.

A NEW ERA

Public Procurement Regulatory Authority (PPRA) (2022 - Current)

In 2022, PPADB was transformed into the PPRA, ushering in a new chapter in the regulation and oversight of public procurement. The transformation strengthened the regulatory focus of the institution and positioned PPRA to promote a more efficient, transparent, accountable and inclusive public procurement system. PPRA regulate the public procurement sector through enforcement and compliance assessments, procurement audits, contract audits, performance audits, professionalization, contractor registration, administration sanctions, capacity building, investigations and public education.

ATLEGA STRATEGY 2026-31

ATLEGA: A New Energy Future is Botswana Power Corporation's (BPC) 2026–2031 corporate strategy, that sets the Corporation's next chapter of growth and transformation. It focuses on strengthening national electricity supply, accelerating renewable energy development, diversifying revenue streams and positioning BPC to participate more competitively in the regional power market.

At the heart of ATLEGA is a renewed Employee Value Proposition designed to build a capable, engaged and future-ready workforce. By strengthening talent, capability and organisational performance, the strategy seeks to enhance execution and position BPC to deliver effectively on its national mandate.

Building on the progress achieved through MADUO26, ATLEGA takes the Corporation forward by addressing key operational and financial priorities, strengthening resilience and creating a sustainable platform for long-term growth. ATLEGA is about building a resilient, future-ready BPC; one that powers Botswana's growth and is prepared for the opportunities of a changing energy landscape.

Vision Statement:

A Resilient and Future-Ready Energy Organization.

Mission Statement:

To reliably deliver sustainable economic growth by leveraging innovation.

Our Values

BOLD & INNOVATIVE

We nurture courageous action, embrace creative disruption, and foster forward-thinking to deliver high-impact value for BPC.

ZERO HARM

We will put safety first in everything we do, preventing harm to people, the environment and our assets without compromise.

FOSTER TRUST

We earn trust by delivering consistently, acting with integrity, and communicating transparently with our teams and customers.

COLLABORATE

We will work across teams and functions to share knowledge, align efforts and deliver better outcomes for the organization and our customers.

ACCOUNTABLE

We take 100% ownership of our actions, decisions, and results, acting with integrity, transparency and accountability at all times.
