The audience is informed that designated Photographers and Video Companies have been authorised to take photographs or make video recordings of the Graduation Ceremony.

Members of the audience should therefore not act as Photographers during the Graduation Ceremony.

MESSAGES OF GOODWILL

THE PRESIDENT OF THE REPUBLIC OF BOTSWANA ADVOCATE DUMA GIDEON BOKO

I am pleased to congratulate the University of Botswana's Graduating Class of 2026 as you join the ranks of the University's alumni. Your graduation coincides with Botswana's celebration of the 60th anniversary of independence. Batswana have continued to rise, adapt and move forward through resilience, determination and unity.

As you graduate during the University's 44th Graduation Ceremony under the theme, "Building High-Performance Economies: From Excellence to Global Impact', you are called upon to carry this same spirit into a rapidly changing world.

Botswana of the future will require and demand of you to be innovative and disciplined in order to transform challenges into opportunities. In a world shaped by technology, knowledge and competition, we must build an economy that is productive and globally competitive. The Graduating Class of 2026 is central to that endeavour. Let your knowledge and skills find expression in the solutions you create, the enterprises you build and the communities you uplift. Be bold enough to imagine a prosperous future, and resilient enough to withstand setbacks. The future will not always present easy paths. There will be obstacles and moments of uncertainty, but you must have the courage to rise and continue the Journey.

As you leave the University of Botswana, remember that excellence is a commitment. Let your achievements contribute to building a high-performance Botswana with meaningful global impact.

On behalf of the Government and people of the Republic of Botswana, I commend you on this milestone and wish you every success.

Congratulations, Class of 2026! *The future is in your hands.*

THE MINISTER OF HIGHER EDUCATION
HONOURABLE PRINCE MAELE

It gives me immense pleasure to congratulate the University of Botswana and, most importantly, the **Class of 2026** on this important achievement.

This graduation takes place in a special year as Botswana celebrates 60 years of independence. It is therefore an appropriate moment to reflect on the significant role that education, knowledge and human capital have played in our nation's development, and the role they must continue to play in shaping our future.

The theme, **"Building High-Performance Economies: From Local Excellence to Global Impact,"** captures the important responsibility of our universities to produce graduates with the knowledge, skills, creativity, and innovative capacity required to drive economic transformation.

As Botswana works towards a more diversified and knowledge-based economy, I encourage our graduates not only to seek opportunities, but also to create opportunities, solve problems and contribute to sustainable national development.

To the Class of 2026, your qualification is both an achievement and a responsibility. Pursue excellence, embrace lifelong learning, uphold integrity, and use your knowledge and talents to make a meaningful difference wherever your journey takes you.

I commend the University leadership and staff, as well as parents and guardians, for their contribution to this achievement.

Congratulations, Class of 2026. May you go forth with confidence, purpose, and a commitment to making a lasting impact on Botswana and the world.

Pula!

ACTING CHANCELLOR AND CHAIRPERSON OF THE UNIVERSITY OF BOTSWANA COUNCIL – DR. DANIEL TAU

On behalf of the University Council, I wish to extend my hearty congratulations to the graduating Class of 2026. Today's ceremony represents a moment of both the celebration of achievement and reflection on the responsibility that comes with the education you have received.

You graduate at a time of profound change and deleterious socio-economic challenges. Botswana, like many parts of the global world, faces economic uncertainty, youth unemployment, technological disruptions, climate pressures and growing inequality. These emerging challenges call for unconventional solutions. Needless to mention, but rightly so, society's expectation is that higher education graduates will turn up with the required ameliorative solutions to mitigate the negative impact of the referred challenges. The University of Botswana itself is confident that you have over the years of your studies and training, gained the knowledge and competencies that will enable you to enter the labour-market with high levels of courage, imagination, innovative capability and willingness to make a difference as well as to inspire the change commensurate with the transformation ideals of Botswana and the global community. The future of Botswana in particular, will be shaped by what you do with what you have learned. We urge you to go out there and demonstrate that with you, society's return on investment from higher education is huge.

Congratulations and Goodluck!!

THE VICE CHANCELLOR OF THE UNIVERSITY OF BOTSWANA PROFESSOR DAVID NORRIS

Today, as you graduate from the University of Botswana (UB), you do so at a defining moment in the history of our University and our country. As Botswana celebrates 60 years of independence, UB is transforming into a High-Performance Organisation (HPO), committed to excellence, innovation, agility, accountability, impact and a culture that continually challenges itself to do better.

You are, therefore, graduating into more than a changing world. You are graduating from a university that is changing with it. However, transformation is not only about what we transform. It is also about transforming the mindset of the person who executes that transformation.

We expect you to be the living expression of what a high-performance Botswana can become. Do not be spectators to change. Believe in yourselves, challenge assumptions, create opportunities and have the courage to shape the world around you.

Transformation should not be something designed somewhere else for you to implement. It must also be imagined, shaped and driven by you. The world needs graduates who can advance knowledge, build enterprises, strengthen institutions and develop solutions to challenges that transcend borders.

As you join the global village, carry the UB spirit with you. Let your work, character and impact demonstrate that transformation is not simply something we speak about but something we embody.

Go forth with purpose. Raise the standard. Create impact. Be the architects of the future and be the Botswana that the future demands.

Congratulations Class of 2026

Congratulations, UB Class of 2026!

STATISTICS BOTSWANA

HONORARY GRADUAND

REGIONAL DIRECTOR EMERITUS, WORLD HEALTH ORGANISATION (WHO) – AFRICAN REGION
DR MATSHIDISO MOETI

Dr Matshidiso Moeti served as the first woman Regional Director of the World Health Organisation (WHO) African Region from 2015 to 2025. During her tenure, she led a transformation agenda that strengthened health systems, improved emergency and disease outbreak preparedness, advanced universal health coverage and promoted equity, accountability and women's leadership.

Her leadership contributed to major public health milestones especially the certification of the WHO African Region as free from indigenous wild poliovirus in August 2020, progress in combating neglected tropical diseases and strengthened partnerships with the African Union and international development partners. Earlier in her career, she led regional efforts to expand access to HIV/AIDS treatment and improve access to surgical services.

Dr Moeti holds a Bachelor of Medicine and Bachelor of Surgery degree from the University of London and a Master of Science in Community Health for Developing Countries from the London School of Hygiene and Tropical Medicine. In recognition of her contributions to public health, she has received honorary doctorates from several universities, including the University of Pretoria and the University of Health and Allied Sciences in Ghana.

GUEST SPEAKER

HONORARY CONSUL OF THE SULTANATE OF OMAN TO THE REPUBLIC OF BOTSWANA MANAGING DIRECTOR & CHIEF EXECUTIVE OFFICER, DIAGNOFIRM MEDICAL LABORATORIES HIS EXCELLENCY DR MOHAMMED CHAND

His Excellency Dr Mohammed Chand is a Botswana-based medical doctor, entrepreneur and business leader with a strong commitment to healthcare development, innovation and creating opportunities for future generations.

He holds a Bachelor of Medicine and Bachelor of Surgery (MBChB) degree from the University of Cape Town, South Africa. His medical training and clinical experience have shaped his approach to leadership, combining an understanding of patient care with a commitment to quality healthcare, innovation and sustainable development.

Dr Chand serves as Managing Director and Chief Executive Officer of Diagnofirm Medical Laboratories, one of Botswana's established privately owned diagnostic healthcare organisations. Under his leadership, Diagnofirm has expanded its services, invested in modern diagnostic technologies and strengthened access to quality laboratory medicine across Botswana. He is also guiding the organisation's ambition to develop a regional diagnostic healthcare platform, extending Botswana's expertise and capabilities into Southern Africa.

Beyond healthcare, Dr Chand is actively involved in entrepreneurship and investment, with a focus on building sustainable businesses, creating employment opportunities and contributing to Botswana's economic development. He believes that business leadership carries a responsibility not only to create economic value, but also to empower people and make a meaningful contribution to society.

Dr Chand also serves as Honorary Consul of the Sultanate of Oman to the Republic of Botswana, contributing to stronger diplomatic, commercial and cultural relations between the two countries.

He is also a member of the Young Presidents' Organisation (YPO), a global leadership community of chief executives and business leaders. Through YPO, he actively engages in international peer learning, leadership development and collaboration, exchanging knowledge and experiences with business leaders from around the world.

A strong advocate for education, mentorship and skills development, Dr Chand believes that Botswana's long-term prosperity depends on investing in its people. Under his leadership, Diagnofirm currently employs 86 University of Botswana graduates and has hosted 60 UB interns since 2023, each undertaking a three-month practical rotation. The organisation also supports approximately 400 direct and indirect employment opportunities, reflecting its commitment to creating meaningful opportunities for Batswana. Social responsibility and community impact are central to his leadership philosophy. Through Diagnofirm, he supports initiatives aimed at improving access to affordable diagnostic healthcare, promoting preventive healthcare, supporting underserved communities and strengthening public health awareness.

Dr Chand believes that the true measure of success extends beyond financial performance to the lives improved, opportunities created and lasting value delivered to society. His leadership is guided by a simple principle: in healthcare, patient outcomes must always come first, and sustainable success follows the trust, integrity and value created through excellence.

Through his work in medicine, entrepreneurship, diplomacy and community development, Dr Chand remains committed to developing local talent, strengthening Botswana's healthcare system and contributing to a more prosperous and globally competitive nation.

LMIS
LABOUR MARKET INFORMATION SYSTEM of BOTSWANA

Congratulations!

YOU EARNED IT, WE GOT YOU COVERED!

ABOUT THE LMIS

THE NATIONAL LABOUR MARKET INFORMATION SYSTEM (LMIS) IS BOTSWANA'S PREMIER DIGITAL ECOSYSTEM, DESIGNED TO BRIDGE THE GAP BETWEEN EDUCATION, EMPLOYMENT, AND ECONOMIC GROWTH. POWERED BY THE HUMAN RESOURCE DEVELOPMENT COUNCIL (HRDC), IT IS A RESOURCE FOR LABOUR MARKET INTELLIGENCE, CAREER GUIDANCE, AND TALENT MATCHING. IT IS A SERVICE PROVIDED BY THE BOTSWANA GOVERNMENT FOR JOB SEEKERS, EMPLOYERS AND OTHER USERS TO INTERACT AND TO ACCESS REAL TIME DATA AND OPPORTUNITIES.

Graduates and Jobseekers

Employers

Researchers and Policy Makers

LMIS OBJECTIVES
Driving National Human Capital Development

- **Bridge the Skills Gap:** Aligning tertiary education outputs with the actual demands of the labour market.
- **Accelerate Employment:** Seamlessly matching verified jobseekers with employers.
- **Inform National Policy:** Providing real-time, data-driven insights to guide national planning and workforce development.

VALUE AND EXPECTED RETURNS
Empowering Every Stakeholder in the Ecosystem

For Graduates and Jobseekers:

- **The Value:** Personalised career advice, real-time job alerts, and skills-gap analysis.
- **The Return:** An accelerated, informed transition from campus to career, maximizing your employability in a competitive market.

FOR EMPLOYERS AND INDUSTRY LEADERS:

- **The Value:** Direct access to a dynamic, verified database of Botswana's brightest emerging talent and sector-specific labour analytics.
- **The Return:** Streamlined recruitment, reduced hiring costs, and a strategic edge in securing top-tier human capital.

FOR RESEARCHERS AND POLICY MAKERS:

- **The Value:** Comprehensive, harmonised data on employment trends, wage parity, and sector growth.
- **The Return:** Evidence-based policies and strategies that drive national productivity and align with Vision 2036.

A MESSAGE FROM THE HUMAN RESOURCE DEVELOPMENT COUNCIL

At HRDC, we believe that human capital is Botswana's greatest asset. Today, as you celebrate your academic milestones, we are proud to present the LMIS as your next great tool for success. Whether you are stepping into the workforce, seeking top talent, or shaping national policy, the LMIS is built to empower your journey. Together, let us build a resilient, skilled, and future-ready Botswana.

To register, please visit the LMIS website: **lmis.botswanalmo.org.bw**

Physical Address: Plot 60113, Sekoma Road, Block 7, Gaborone
Postal Address: Private Bag BR 108, Gaborone, Botswana
Telephone: +267 3930741 Fax: +267 3930740

Graduation is a new beginning, not the end of their cover.

NEW Increased to the age of 30

With Pulamed Adult Child Cover, eligible child dependants can stay covered up to age 30.

How to apply:

- Completed registration form
- Complete medical history completed by the child
- Police commissioned affidavit that the child is unmarried and not gainfully employed

Keep them covered while they prepare for what's next.

pulamed Hello Life

Call 365 0555

CYBERSECURITY STARTS WITH YOU

Stay Smart. Stay Safe. Stay Secure.

In today's digitally connected world, every tap, click, and swipe matters. As digital threats become more sophisticated, staying cyber aware is not just a tech issue but a life skill. Whether you are browsing, shopping, banking, or chatting online, your personal safety starts with simple, everyday habits.

BOCRA encourages all stakeholders to take charge of their digital lives. These practical tips can help protect your information, your money, and your peace of mind. Let's build a safer cyberspace together.

USE STRONG, UNIQUE PASSWORDS, AND NEVER SHARE THEM

Avoid using your name, "123456", or "password". Use a mix of letters, numbers, and symbols. For example, instead of "Thabo2024", try "T#b0!2024".

VERIFY BEFORE YOU PAY OR DONATE

Whether it's buying on Facebook Marketplace or donating to a cause, double-check phone numbers, business names, and account details.

ENABLE TWO-FACTOR AUTHENTICATION (2FA)

Enable 2FA on all your digital accounts to add an extra layer of protection.

DON'T OVERSHARE PERSONAL INFO ON SOCIAL MEDIA

Limit what you post about your location, school, bank, or ID number. Hackers use this to impersonate or target you.

WATCH OUT FOR PYRAMID SCHEME SCAMS

Avoid clicking suspicious forwarded messages, giveaway links, or messages asking for emergency money transfers.

REPORT SUSPICIOUS ACTIVITY

If you suspect a scam or cybercrime, report it to the Botswana Police Service Cybercrime Unit or contact BOCRA via email to *info@cirt.org.bw*.

USE SECURE WI-FI CONNECTIONS

Avoid accessing sensitive information like mobile banking while connected to public or unsecured Wi-Fi (e.g., malls, taxis, or open hotspots)

KEEP YOUR PHONE AND APPS UPDATED

Always update your phone's software and apps to patch security holes. This protects you from known cyber threats.

HIPPOCRATIC OATH

HIPPOCRATIC OATH: Will be administered to the new Bachelor of Medicine Bachelor of Surgery graduates when they are presented. The Chairman of the Botswana Health Professionals Council will administer the Oath.

The presentation of graduands will be halted for a few minutes to accommodate the Oath.

The **Graduates** will stand before the Podium to take the Oath.

The **Graduates** shall return to their seats.

NURSES' PLEDGE

NURSES' PLEDGE: will be administered to the new Bachelor of Nursing Science graduates when they are presented. The Nursing and Midwifery Council of Botswana Representative will administer the Pledge.

The presentation of graduands will be halted for a few minutes to accommodate the Pledge.

The **Graduates** will stand before the Podium to take the Pledge.

The **Graduates** shall return to their seats.

DISSOLUTION OF THE CONGREGATION

The **Deputy Vice Chancellor, Teaching and Learning**, moves to the microphone, bows, raises her cap to the **Chancellor** and says:

> "The **Chancellor of the University of Botswana**, I have the privilege to request you to declare this congregation duly dissolved."

The **Chancellor** shall say:

> "By virtue of the authority vested in me, I declare this congregation duly dissolved."

DEPARTURE OF PROCESSIONS

The audience shall remain standing while the processions retire in reverse order to the one in which they entered.

PPRA
Public Procurement Regulatory Authority

OUR JOURNEY OF TRANSFORMATION

From the Central Tender Board to PPADB, and now PPRA

Different Names. Different Eras. A Lasting Commitment to Advancing Public Procurement.

WHERE IT ALL BEGAN
Central Tender Board (CTB) (1998 - 2002)

The Central Tender Board (CTB) was established as part of Government's efforts to centralise and manage public procurement. It provided a structured system for the consideration and award of government tenders, helping to promote fairness, accountability and value in the use of public resources.

THE NEXT CHAPTER
Public Procurement and Asset Disposal Board (PPADB) (2002 - 2022)

PPADB was established through the Public Procurement and Asset Disposal Act (No. 27 of 1998) to build on the work of the CTB. It expanded the scope to cover both procurement and asset disposal, promoting efficiency, accountability and best practice in the management of public resources.

A NEW ERA
Public Procurement Regulatory Authority (PPRA) (2022 - Current)

In 2022, PPADB was transformed into the PPRA, ushering in a new chapter in the regulation and oversight of public procurement. The transformation strengthened the regulatory focus of the institution and positioned PPRA to promote a more efficient, transparent, accountable and inclusive public procurement system. PPRA regulate the public procurement sector through enforcement and compliance assessments, procurement audits, contract audits, performance audits, professionalization, contractor registration, administration sanctions, capacity building, investigations and public education.

OUR EVOLUTION

1998
Central Tender Board (CTB) Established

2002
Public Procurement and Asset Disposal Board (PPADB) Established

2022
Public Procurement Regulatory Authority (PPRA) Established

"From a Department, to a Board, to an Authority. Always advancing public procurement for a better Botswana.

Regulate, oversee and promote a more efficient and transparent public procurement system."

Vision

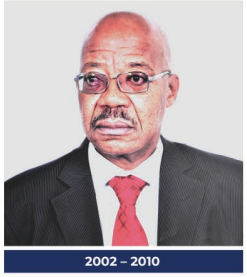

A sustainable and inclusive public procurement system.

Mission

To regulate and oversee the public procurement system in line with best practice resulting in value for money, sustainability, and socio-economic development.

OUR LEADERSHIP JOURNEY

Different Times. One Vision. Better Public Procurement.

2002 – 2010
Mr. Armando Lionjanga
PPADB Founding Executive Chairperson

2011 – 2019
Ms. Bridget Poppy John
PPADB Executive Chairperson

2019 – 2021
Mr. Elijah Motshedi
PPADB Executive Chairperson

Feb 2021 – Oct 2021
Mr. Kgakgamalo Ketshajwang
PPADB Acting Executive Chairperson

2021 – 2024
2024 - Present
Ms. Tumelo Motsumi
PPADB Acting Executive Chairperson
PPRA Chief Executive Officer

Integrity
Professional and ethical standards

Accountability
Strengthens governance and integrity

Public Procurement Done Right

ACADEMIC PRIZES AWARDED IN 2026

FACULTY OF MEDICINE AND HEALTH SCIENCES

DEAN'S PRIZE – The prize may be awarded annually by the University Senate to a final year student adjudged academically the most outstanding in the Faculty of Medicine and Health Sciences who should have obtained at least 4.0 CGPA.

BOMAID EXCELLENCE AWARD – Awarded annually to the most outstanding final year degree student in the Faculty of Medicine and Health Sciences

BPOMAS PRIZE - Awarded annually by the University Senate to the best graduating students in each of the following: School of Allied Health Professions, School of Nursing, and School of Public Health.

BOMRA PRIZE - Awarded annually by the University Senate to the graduating students adjudged academically the most outstanding in the School of Biomedical Science and Pharmacy who should have obtained at least 4.0 CGPA. The students should have demonstrable soft skills, spirit of volunteerism, teamwork, hard work, and brain power (intelligence).

PROFESSOR MOHAMMED IQBAL CHAND ACADEMIC EXCELLENCE IN MEDICAL LABORATORY SCIENCES PRIZE – SPONSORED BY DIAGNOFIRM - This award is presented in loving memory of the late Professor Mohammed Iqbal Chand, a pioneer of medical laboratory science in Botswana and founder of Diagnofirm Medical Laboratories. The prize is awared to the best graduating student in the Department of Medical Laboratory Sciences in the Faculty of Medicine and Heealth Sciences

FACULTY OF NATURAL AND APPLIED SCIENCES

DEAN'S PRIZE - The prize may be awarded annually by the University Senate to a final year student(s) adjudged academically the most outstanding in the Faculty of Natural and Applied Sciences who should have obtained at least 4.0 CGPA. The student(s) should be of acceptable conduct.

CISNA '93 INFORMATION TECHNOLOGY PRIZE: COMPUTER SCIENCE - The prize may be awarded annually by the University Senate to the best final year degree student in the Department of Computer Science with at least 4.0 CGPA. The student(s) should be of acceptable conduct.

PROF JAMIL AHMAD MEMORIAL CHEMISTRY PRIZE - The Prize is awarded to an outstanding final year Bachelor of Science Degree Chemistry student of the Faculty of Natural and Applied Sciences with a Cumulative Grade Point Average (CGPA) of at least 4.0.

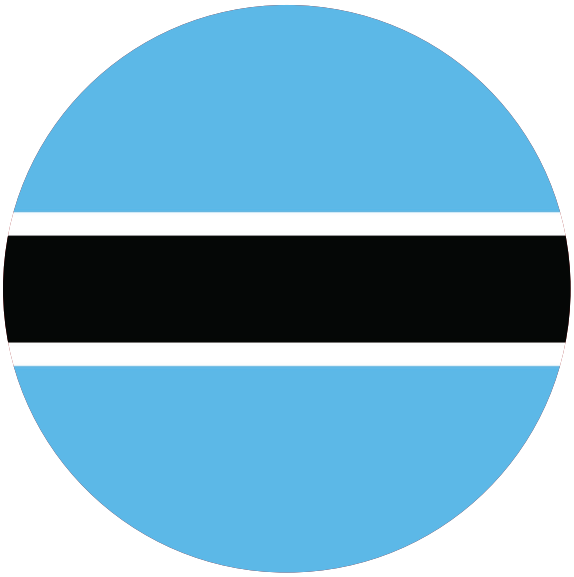

BERA BEST CHEMISTRY STUDENT AWARD - Awarded to an outstanding final year Bachelor of Science Degree Chemistry student of the Faculty of Applied and Natural Sciences with a Cumulative Grade Point Average (CGPA) of at least 4.0.

LUCARA AWARD IN ENVIRONMENTAL SUSTAINABILITY - Awarded to the best student for MSc (Environmental Resources Management) in the year 2026 with a cumulative grade point average (CGPA) of 4.7.

VALEDICTORIAN PRIZE - Sponsored by Access Bank

VICE CHANCELLOR'S PRIZE - Donated by the Honourable Dr. D.N. Magang and his family. Awarded annually by the Senate to the most outstanding fulltime first-degree graduate(s). The purpose of the award is to encourage a sense of responsibility among students at the University.

Understanding NCQF and BQA codes

NCQF describes qualification levels in Botswana. BQA fields of learning classify the subjects in which those qualifications are awarded.

NCQF levels 1–10

Code	NCQF level description	Entries
1	Certificate I	0
2	Certificate II	0
3	Certificate III	0
4	Certificate IV	0
5	Certificate V	2
6	Diploma	184
7	Bachelor's Degree	3,471
8	Bachelor's Degree Honours; Postgraduate Diploma; Postgraduate Certificate	73
9	Master's Degree	288
10	Doctoral Degree	34

BQA fields of learning 1–14

Code	BQA field of learning	Entries
1	Agriculture and Nature Conservation	17
2	Business, Commerce and Management Studies	825
3	Culture, Arts and Crafts	13
4	Education and Training	1,016
5	Generic Skills	0
6	Health and Social Services	623
7	Humanities and Social Sciences	651
8	Information and Communication Technology	92
9	Law and Security	223
10	Manufacturing, Engineering and Technology	240
11	Mining	0
12	Natural, Mathematical and Life Sciences	290
13	Physical Planning and Construction	62
14	Services	0

BOTSWANA POWER CORPORATION

ISO 14001:2015 Certified
ISO 45001:2018 Certified

ATLEGA STRATEGY 2026-31

ATLEGA: A New Energy Future is Botswana Power Corporation's (BPC) 2026–2031 corporate strategy, that sets the Corporation's next chapter of growth and transformation. It focuses on strengthening national electricity supply, accelerating renewable energy development, diversifying revenue streams and positioning BPC to participate more competitively in the regional power market.

At the heart of ATLEGA is a renewed Employee Value Proposition designed to build a capable, engaged and future-ready workforce. By strengthening talent, capability and organisational performance, the strategy seeks to enhance execution and position BPC to deliver effectively on its national mandate.

Building on the progress achieved through MADUO26, ATLEGA takes the Corporation forward by addressing key operational and financial priorities, strengthening resilience and creating a sustainable platform for long-term growth. ATLEGA is about building a resilient, future-ready BPC; one that powers Botswana's growth and is prepared for the opportunities of a changing energy landscape.

Vision Statement:

A Resilient and Future-Ready Energy Organization.

Mission Statement:

To reliably deliver sustainable economic growth by leveraging innovation.

Our Values

BOLD & INNOVATIVE

We nurture courageous action, embrace creative disruption, and foster forward-thinking to deliver high-impact value for BPC.

ZERO HARM

We will put safety first in everything we do, preventing harm to people, the enviroment and our assets without compromise.

FOSTER TRUST

We earn trust by delivering consistently, acting with integrity, and communicating transparently with our teams and customers.

COLLABORATE

We will work across teams and functions to share knowledge, align efforts and deliver better outcomes for the organization and our customers.

ACCOUNTABLE

We take 100% ownership of our actions, decisions, and results, acting with integrity, transparency and accountability at all times.

Atlega's Key Initiatives

Financial Sustainability

- Cost Recovery > 100% (No Structural Deficit).
- Revenue > P25 billion.

Net Power Exporter (Strategic Position Shift)

- Botswana transitions from net importer → net exporter.
- Transmission infrastructure supports cross border trade.

Reliable & Secure Power

- Energy is diversified with 50% renewable energy.
- Maintenance is planned, proactive and reliability-centered to support stable supply.

Modern, Efficient Infrastructure

- Reduced technical and commercial losses < 15%.
- Digitized grid (smart monitoring and control systems).

EPIC Organization

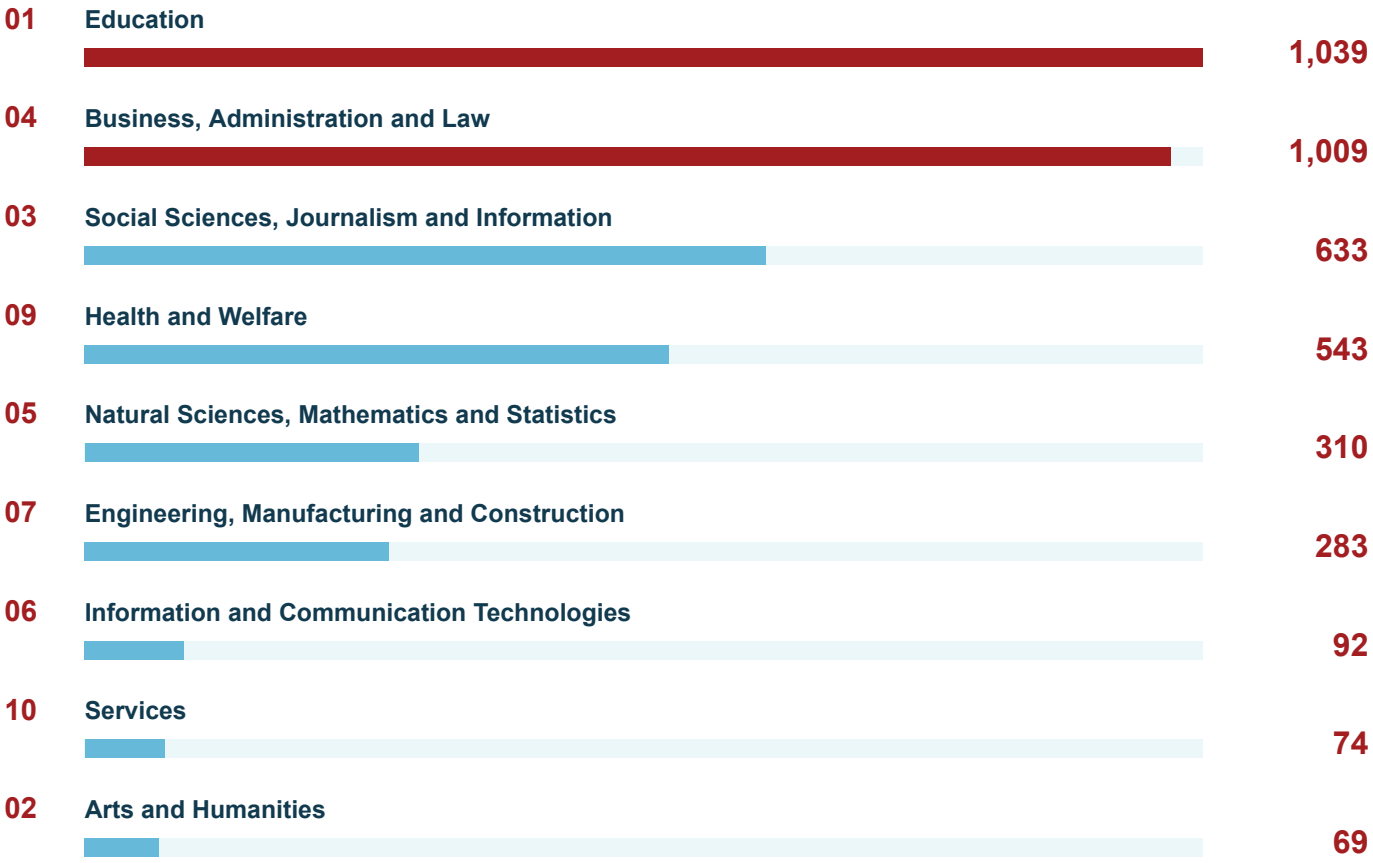

- Strong performance culture (KPIs, accountability, consequence management).
- Employer of Choice (market competitive remuneration).

ESG Excellence

- ISS ESG Grade B "Prime" rating achieved.
- Full GRI sustainability reporting established.
- Board-level ESG governance operational

Learning for many sectors

ISCED makes the breadth of UB's graduating class visible through internationally comparable fields of study.

Education and Business, Administration and Law contribute 2,048 entries, or 50.5% of the class. Health, Science, Engineering, the Arts and other disciplines add complementary capabilities.

ISCED level codes used in the statistics

Code	Level description	Entries
4	Post-secondary non-tertiary education	2
5	Short-cycle tertiary education	184
6	Bachelor's or equivalent level	3,410
7	Master's or equivalent level	422
8	Doctoral or equivalent level	34

CSR PARTNERSHIPS WITH GAYO-BOTSWANA

Your CSR. Our youth. A climate-resilient Botswana.

2014
Pan-African youth movement

GAYO-Botswana, the Botswana chapter of the pan-African Green Africa Youth Organization, co-creates and implements youth-led climate solutions with communities and institutions. We invite corporates to partner with us through **ready-to-fund, programmatic CSR projects** that deliver measurable impact for people and planet.

6
Eco-Club chapters in universities and schools

150+
Youth trained through our fellowships and training programmes

5
Fellows awarded mini-grants for community projects

1st
Youth-focused NDC Forum by our Youth Climate Council, whose policy brief was quoted in the National Budget Speech

CSR programmes ready for your investment

Four pillars of climate action

01 Zero Waste Cities
Recycling, composting and source separation with District Councils, creating livelihoods for waste pickers and youth.

02 Adaptation & Resilience
Community-led projects that reduce climate vulnerability among marginalised and disproportionately affected groups.

03 Just Transition
Fair, inclusive transitions that safeguard workers and communities and address structural inequalities.

04 Green Jobs for Youth
Skills, fellowships, ecopreneurship and leadership pathways into decent, future-ready green work.

Let's co-create your next CSR project.
